Connect With Your Property

PropertyMe gives you access to your property information if you're a tenant or an owner. It connects to PropertyMe management software used by your property manager.

Required to connect:

- your property manager is using the PropertyMe system and granted you access
- you have provided your property manager an email address
- you have access to this email account

Enter your email address

An activation email will be sent to this email address.

Enter your email that is associated with your tenancy.
